# Foreword

WE, the annual staff, present to you, the Broughton Student body, this, the 1945 LATIPAC. For nine months we have written and photographed, re-written and rephotographed, in order to preserve this picture of a year at Broughton. We hope that this book will be not only the story of life at Broughton but also a tangible memento of all our high school years.

# DEDICATION

TO these, our Broughton boys, who have been killed in the service of our country, the class of 1945 proudly dedicates this annual. Their sacrifices have given us inspiration and courage to face whatever we may have to do. We shall not fail to be worthy of the cause for which they died.

## SENIOR CLASS

“GOODBYE Broughton! We must leave you now!” echo the members of the class of 1945 as they bid their final farewell after five years of successful work and service. They leave to their dear Alma Mater the sincere wish for its continued friendliness and accomplishments. The Seniors are proud of their part in activities in school and in outside organizations.

The war has greatly affected this graduating class, for it has taken and will take many of its members. The Seniors will leave not only for the armed forces but also for colleges and other occupations. They go with the memory of the years of their pursuit of knowledge and participation in the events at Needham Broughton. They will remember the eventful senior year and particularly the Senior play, “Our Town” which was presented in May 1945.

Now this group of graduates must leave, but their memory should forever remain because of their untiring efforts to make Broughton a truly outstanding school.

# STUDENT COUNCIL

The Student Council has striven more than ever before to make this year one of Broughton's best. Its group of capable officers and well organized committees have worked faithfully to fulfill their duties and to make Broughton a better school. The primary objective of the Council is to function for the good of the entire student body, and to maintain the high standards set in previous years.

Outstanding features sponsored by the council this year were the clean-up campaigns, the war bond and stamp drive, the campaigns against the destruction of school property, the improvement of the cafeteria, and the remodeling of the school store.

The tireless efforts of our competent advisers, Miss Hazel Griffin and Miss Elizabeth Knowles, and of the president, Ivan Armstrong, have served to promote the enthusiasm and cooperation of the entire student body. Under their able leadership we have developed a prosperous and thriving student government.

Officers of the Council are: Ivan Armstrong, President; Pat Schell, Vice President; Betsy Blackwood, Secretary; Buck Pruden, Treasurer; and Fitz Caudle, Sergeant-at-Arms.

This year as before, our school was represented at the State Student Council Congress by four delegates. They were Ivan Armstrong, Buck Pruden, Betty Betts, and Josephine Snow. Buck Pruden was elected president of the Congress for next year.

## STUDENT COUNCIL COMMITTEES

**Social Committee.** This committee is headed by Jean Gaddy. Its duties are to welcome and entertain visitors and to plan social functions for the Student Body. Outstanding social events this year were the Christmas dance and the Student Leaders Banquet.

**Points Committee.** The chairman of this committee is Myra Ruth Stone. The committee has done splendid work in checking the eligibility of students for class officers and in checking the number of points for the award of the service medal at the end of the year.

**Elections Committee.** The chairman is Fitz Caudle. The duties of this committee are to carry on the election of class officers in the fall and the election of Student Council officers and Marshals in the spring.

**Intramural Sports Committee.** Barbara Pope and Andrew Kirkpatrick are the co-chairmen of this committee. Their duties are to provide athletic contests within the school for students who do not participate in varsity sports. Outstanding work done by this committee was the formation of a tennis club and the basketball tournaments.

**Publicity Committee.** The duties of this committee are to write articles each week about Broughton activities for the *Raleigh Times and News and Observer*. Jo Snow is chairman.

**Citizenship Committee.** Martha Duncan is chairman. Its duties are to uphold high standards in the school, and to improve the citizenship of the students. Their main activity for the year was the writing of mottos for the home-rooms and the explanation of the constitution to underclassmen.

**Audio-Visual.** The committee, with John Paschal and William Bradshaw as co-chairmen, continued sponsoring the A. V. Club. With the money from two full-length movies they have shown forty classroom movies to two hundred classes.

**Chapel.** This committee has helped plan the work with every assembly program during the year. With Sis Silver as its chairman, the variety of programs has been entertaining, as well as educational.

**Calendar Committee.** Robert Anderson is chairman of this committee. It has done splendid work in making posters to publicize plays, dances and other activities carried on at Broughton.

**War Effort Committee.** Co-chairmen of this committee are Dodge Geoghegan and Pat Schell. Their duties are to promote the sale of war bonds and stamps each week in the school. Outstanding work performed by this committee was during the War Loan drive when they sponsored the bond auction on December 1 at which time the school completed the purchase of a P-51 Mustang fighter.

**The Lost and Found Committee (temporary).** Chairman of this newly formed committee is Harry Shuford. It has done good work in returning various articles lost by students. Their headquarters were in the ticket booth in the gymnasium.

**Grounds Committee.** Chairman, Katherine Holding. Its duties are to beautify the school grounds and to keep the grounds free of paper and other trash. They did especially good work when they planted on the ground shrubs and trees which were contributed by the students and Mr. Helms.

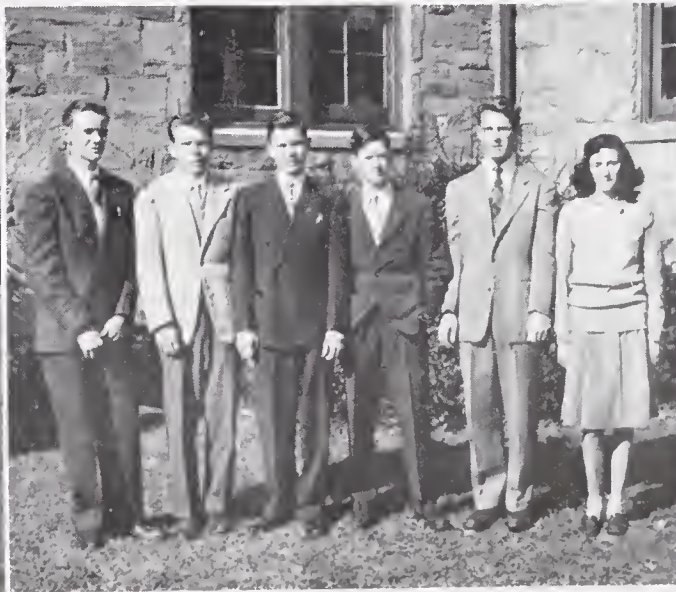

**Cafeteria Committee.** This committee, with Jack Crum as chairman, had as its duties to keep order in the cafeteria during the three lunch periods. It has tried to keep the lunch moving quickly, and has done good work in keeping the cafeteria clean.

**House Committee.** Betty Betts is chairman. Its duties are to keep the halls and classrooms in order. The committee sponsored a clean-up campaign on December 7 at which time each homeroom and each club worked to make improvements in the school. At the end of this campaign the "Achievement Award" cup was presented to the homeroom which had made the most improvement in its own classroom.

**Stage Crew.** Gene Neal, Chairman.

## SENIOR GIRL RESERVES CLUB

Starting this year with the usual membership drive, the Senior Girl Reserves Club attained one of the largest memberships in its history. During the year, the club sponsored many social activities. In September, an open-house was held at the Y.W.C.A. for the faculties of the grammar and high schools to acquaint the teachers and principals with the facilities of the new "Y." Every other Friday night, an open-house was held at the Y.W.C. for all the high school students. To celebrate Hallowe'en, the new members and incoming junior members were entertained at an inter-club party. The highlight of all the social activities was the Mother-Daughter banquet given for the club members and their mothers.

Besides the social activities, the Senior Girl Reserves Club rendered numerous services to the school and community. The week of the clean-up campaign at Broughton saw the club very busy because it was responsible for the cleanliness of the girls' rest rooms. At Christmas the club was in charge of the sale of tuberculosis seals. The week before Easter, the club held Holy Week services every morning in the music room where devotionals were conducted for the students and teachers.

On Sunday of World Fellowship Week, the club conducted a service at the Y.W.C.A. for the service men.

The installation in May of new officers for the coming year ended a very active and satisfactory year.

## THE LITTLE

This year has been an especially fortunate one for the Broughton Little Theater. Under the leadership of Jack Crum, president, and Betty Betts, vice president, the membership of one hundred and ten juniors and seniors has enjoyed a series of interesting programs at each Thursday's meeting. These programs have for the most part been of a dramatic nature with pantomime, skits, one-act plays, and monologues predominating.

In addition to two original skits for assembly, a dramatization of Stephen Vincent Benet's "They Burned the Books" for Book Week and "A Glimpse Inside a Veteran Hospital" for a Red Cross drive for musical instruments, the Little Theater produced the very successful comedy "Junior Miss" to a packed house on February 4. Later by invitation from the Raleigh Little Theater a creditable performance was given

## THEATER

there on February 16. Following the second performance, the cast and technical staff enjoyed giving a performance at Camp Butner to an appreciative audience of approximately nine hundred veterans.

"The Pipe in the Fields," by T. C. Murray was selected for production at the Spring Festival in Chapel Hill. An original play, "Concerto in Love," by Violet LaRue was presented and the proceeds given to the University of North Carolina for the Koch Memorial Theater. The dinner parties at Christmas and in May rounded out a very successful year.

# SPANISH

The Broughton Spanish Club had for its purpose the promotion of a closer relationship between the Latin American countries and our United States. The members became acquainted with the leading Spanish customs and games through guest speakers from Columbia, Ecuador, and Peru.

The club was composed of the three first year and two second year Spanish classes. Mrs. Bridget Palmer Osborne, club adviser, conducted conversational groups for members who desired to speak the Spanish language more fluently. Climaxing a most successful year, the club held a banquet for its members.

## THE 1945 LATIPAC

JOSEPHINE SNOW, ANNE FLEMING,  
JACK CRUM

The 1945 LATIPAC is presented to you by the co-editors-in-chief Anne Fleming and Josephine Snow, with Mrs. Judson M. Kneece as editorial adviser. This year's editorial board consisted of the co-editors; Mrs. Kneece; Ervin Cherry, sports editor; Pete Norris, art editor; Bobby Barnes, Sara Harris, Elizabeth Kiser, and Barbara Pope, typists; and Katherine Holding, Myra Stone, and Nell Fulghum who wrote the characteristics of the seniors. The business matters were taken care of by Jack Crum, business manager, with Miss Laura Helen Paschal to help him as business adviser. Jean Gaddy, advertising manager, was in charge of the very important job of getting ads for the annual.

The Senior Class elected the co-editors and business manager in November. At a meeting of the advertising staff, Jean Gaddy was elected manager, and she began work on the ads before the Christmas holidays. The Hi-Y greatly assisted Jean and her staff in selling ads. The Raleigh merchants were most coöperative in helping finance the LATIPAC. Their advertisements are in the back of this book.

ADVERTISING STAFF, *first row, left to right:* Barbara Ann Pope, Jean Gaddy, Ruth Wiggins, Mildred Chamberlain, Miriam Bull, Frances Ferguson, Pat Eckert and Sis Silver. *Second row:* Wake Pridgen, Anne Boykin, Ann Virginia Parker, Betsy Huggins, Nita Ballinger, Marguerite Bishop, Katherine Blake, and Bob Lee. *Third row:* John Charles Williams, Jo Snow, Myra Stone, Betty Wilkie, Sidney Martin, Dick Cox, Clif Churn and Bobby Barnes. *Fourth row:* Jack Crum, Toby Holding, Bill Steele, Robert Yelverton, Marvin Koonce, George Pickett, and Bonnie Moffitt.

Jack Crum, business manager, collected money for reservations for the annual and kept the books.

The editorial staff had its first meeting in January and decided to have third period every Tuesday as meeting day. The first big job was getting the pictures made. Torrence Studios in Salisbury agreed to take them, and several days were spent getting the individual senior and junior pictures made. When the pictures had been developed and sent back to the school, the staff started naming the people in the clubs. What a time they had!

Those working on the senior characteristics began probing into the history of each senior; the senior statistics were filed; the typists were put to work; and by the middle of February, the 1945 LATIPAC began to take shape. Naming the club members in the pictures was the hardest job. After that was done, each member

of the staff had a certain individual piece of work to do with a dead-line set on it. Pete got the lettering done; and Ervin, after a struggle, came through with some good sports write-ups. Myra, Katherine, and Nell finished the senior characteristics, fearing for their very lives when the seniors saw just what was said about them. Josephine and Anne gave out assignments, wrote, re-wrote, proofread, and did the many other things which are an editor's responsibility. Mrs. Kneece and Miss Paschal offered advice and help whenever it was needed.

Mr. Joe Hardison of Edwards & Broughton Company worked with the editors and helped them put their material together.

The editors and the editorial staff have done their best to prepare an annual of which you will be proud. They hope that this 1945 LATIPAC will be one of the most cherished possessions of your high school days.

THE FOOTBALL TEAM

# FOOTBALL

The Raleigh High School football team experienced one of the most topsy-turvy seasons in many years. It had its fill of injuries, hard games, conference rulings, and bad weather. Perhaps the most outstanding event of the 1944 football campaign occurred when Coach Stone craftily changed his entire style of attack.

The Caps opened their season against a twice tested Durham team. Coach Stone's boys came home with an 18-0 victory under their belt.

Fayetteville entertained Raleigh on September 29, and the Caps "swam" to a 25-0 victory over the Fayetteville eleven. The game was played in a driving rain which turned the field into a quagmire.

The Purple Hurricane went to Wilson on October 6 without the services of Joe Jordan, star tailback, who had been declared ineligible for further conference play. The Caps, handicapped by this fact, were set back 14-6 by Wilson. It was Raleigh's first loss of the season and their first in two years.

After a two weeks layoff, the Caps opened the home season with Goldsboro. The Goldsboro team was turned back 20-0 by Stone's gridders. Walton Ferrell, star Cap fullback, was sidelined for the remainder of the season, due to a broken knee which he suffered in the Goldsboro game.

COACH LEE J. STONE  
*Director of Athletics*

Playing in Wilmington on October 27, the Caps introduced their dazzling "T" formation and ran off with a 20-0 verdict over the New Hanover eleven.

The Caps returned to their home field for their sixth game which was played with Greenville. The Caps routed Greenville 57-13. Every player on the Raleigh squad won his spurs in that game.

Asheville's "Mountaineers" came to Raleighland and strutted back home with a 26-6 decision over the Caps. This game was Raleigh's second defeat of the season.

The season's finale was with Rocky Mount at Devereaux Meadow. Raleigh upset the Blackbirds 25-7. This encounter marked the end of a very successful season.

During the 1944 season the Caps ran up 149 points to their opponents' 50. Jimmy Phillips was high scorer with 42 points, and Billy Hawkins was second with 26 points.

Laurels fell on many different players on the Raleigh Squad this season. Billy Hawkins and Walton Ferrell were chosen on the All-Eastern Team; Sidney Martin

Coach Stone must again be commended for his fine work throughout the season. It was his second year as head coach of the Raleigh squad.

# BASKETBALL

The Broughton High basketeers left a very good record behind them for the 44-45 season. Although there were quite a few able players from last year's junior varsity including "Tapper" Cothran, Dodge Geoghegan, George Pickett, and Billy Hawkins, this year's captain, was the only retiring veteran from last year's squad.

The highlight of Broughton's season was their 26-15 upset of the Durham Bulldogs. They put up a great defensive game, holding Durham to one field goal in the second half of play. The game was witnessed by one of the greatest crowds in Broughton history. The second meeting with Durham was not as significant as the first, and the Caps were turned back 38-31 in Duke Gymnasium.

Rocky Mount was the only team that turned the tables on the Caps twice in this season. They defeated Broughton 57-36, and 47-34.

Billy Hawkins was high scorer for the season with 128 points. Other high scorers were Sam Cothran with 95 points, Dodge Geoghegan with 83 points; George Pickett scored 87, and Billy Baise accounted for 45. Raleigh scored a total of 498 points this year against their opponents' 447.

Billy Jordan, Jack Gordon and Laddie Terrell were recognized for their fine work this season. They were a great boost to the power of the Hurricanes.

This was Coach Stones' third season at Broughton, in which he has succeeded in producing three sharp-shooting teams who have made fine records for themselves and Broughton.

The season's record is shown below.

# BASEBALL

As this, the 1945 LATIPAC goes to press, Devereaux Meadow is once again resounding to the crack of the new bats and the dull thud of horsehide against leather which indicates the return of baseball to the land of the Purple Hurricanes.

There are six veterans returning from last year's squad for another season. They are: Walton Ferrell, first base; John Charles Williams, shortstop; Billy Jordan, second base; John Senter, third base; and Bruce Varner, catcher. Mack Campbell, pitching veteran of two past seasons is also a strong factor in the team this year. There are 43 other hopefuls out for baseball, and so a strong team seems a very likely fact.

Coach Shealy, who came to us from State College, is beginning his first season as baseball mentor of the Raleigh Caps. He has stated that the prospects for a good season record are very bright, considering the fine material that he has on hand.

The Caps, as in previous seasons, will play several practice games before they start their Class A Conference schedule which will include Wilson, Fayetteville, Rocky Mount, Durham, Wilmington, and Goldsboro. Rocky Mount and Wilson, two of the big powers in high school baseball, are expected to have "crackerjack" ball clubs again this season.

The Raleigh Caps' lost quite a few fine ball players from the 1944 season. Such stars as Rex Benson, Johnny Sykes, Tootsie Holding, Henry Kelly also must be added to the loss of Coach Stone, who, after leaving a fine record in conference play, relinquished his duties to another able baseball boss, Coach Shealy of Hugh Morson.

In the last few years the students of Broughton and the people of Raleigh have shown a quickening interest in the diamond game. Baseball is being rejuvenated in Raleigh and is once more taking its honored place in athletics.

At the present time, the schedule stands as follows:

April 3-----Rocky Mount—there	April 20-----Wilson—there
April 6, 7-----Wilmington—here	April 24-----Durham—here
April 13-----Wilson—here	April 27-----Goldsboro—here
April 17-----Goldsboro—there	May 1-----Rocky Mount—here
May 8-----Durham—there

"Hoyle's is the best yet! The individual attention, warm and friendly atmosphere of the school, make it distinctive. I am proud to be a graduate of Hoyle's and have been happily employed ever since I completed my course."

**KATHERINE ARNOLD**

"I am now happily employed and owe my success to my training at Hoyle's."

Then there was Tom Parker, who walked into a bar optimistically and walked out misty optically.

# BUILDERS DREAMS

VISIONS created by the imagination precede the achievement of any really great accomplishment. The ability to weave the threads of imagination into the finished fabric is equally important.

It has been the privilege of the EDWARDS & BROUGHTON COMPANY to cooperate with the staff in creating their vision into material form.

Such coöperation is one of the "visions" which precede the building of a successful business, and is a part of the working policy of the EDWARDS & BROUGHTON COMPANY.

To those Staffs desiring complete co-operation, we offer unexcelled service.

You, too, may be proud of your annual.
